INSTRUCTIONS AND EXPLANATIONS FOR THE QUESTIONNAIRE:

¹ - **VARIANTS OF NAMES OF THE COMPANY.** It is necessary to specify in this point by latin uppercase letters (an example: GARANT SERVICE). Should not contain: official names of the states, designations identical or similar to extent of their mixture: with the trade names which are earlier registered or stated on registration in UZ addressed to other legal entity, possessing earlier priority; with trademarks, recognized well-known in accordance with the established procedure. Also similar on already registered so that it can lead to identification of appropriate subjects of an entrepreneurship. The choice of a name is performed when forming request from available trade names on the Latin alphabet which verification regarding identity is performed by the **AUTOMATICALLY** system. The chosen name remains for the applicant on 60 days.

² - it is necessary to specify the full name of the owner of the enterprise.

³ - **ID of individual:** <https://en.legal-force.uz/what-is-id-of-individuals-in-uzbekistan> .

⁴ - **the legal address or post address** of the enterprise may be the address of a non-residential building with which, after registration, the enterprise will conclude a lease agreement, as well as the address of the permanent registration of the owner of the enterprise. It is necessary to indicate **the cadastral number of the non-residential building.**

⁵ - the amount of the **authorized/capital fund** in a private enterprise is not limited, it must be indicated in the "UZS".

⁶ - need to specify a **main business activity of the enterprise.** In case the enterprise is going to make several types of business activity, need to specify prevailing.

⁷ - new enterprises have the right to choose the payment of value added tax from the date of state registration at the moment of registration. **Turnover tax/sales tax payers** are those enterprises whose total income for the tax period does not exceed one 1 billion UZS. Turnover tax/sales tax does not apply to next enterprises: importers of goods; producers of excisable goods (services) engaged in the extraction of minerals; selling gasoline, diesel fuel and gas; involved in the organization of a lottery, etc. (Article 461 of the Tax Code of the Republic of Uzbekistan). Enterprises that are not payers of Turnover tax/sales tax are payers of income tax and VAT (**Generally established taxation**).

⁸ - it is necessary to specify a contact **phone number** (mobile or stationary) registered in Uzbekistan and **E-mail** to indicate it in state base at registration of enterprise. After registration this contact information will be in open access in the public register of the enterprises for communication with it's management.

⁹ - need to specify **client's name and the contact phone number.**
